\$475,000

4 Bedroom, 4.00 Bathroom, 3,249 sqft
Residential on 0 Acres

N/A, Frazier Park,

This home's floor plan is truly a dream come true. The spacious, open layout flows seamlessly from the informal living room into the kitchen. A formal living room and dining room are conveniently located adjacent to the kitchen. A large, welcoming foyer greets you upon entry. One of the standout features of this home is its ample storage, ensuring that every need is met. Upstairs, you'll find four generously sized bedrooms and three bathrooms. The primary bedroom is spacious enough to accommodate both bedroom furniture and a home office. The primary bathroom features built-in cabinetry and a walk-in closet for added convenience and storage. An additional room currently serves as a craft room, offering a versatile space with abundant storage potential. The oversized two-car garage includes a work area, as well as housing the dual water heaters and water softener. This home is equipped with owned solar panels, a newer roof, and a convenient circular drive-through concrete driveway. The backyard features a covered porch and a concrete walkway that provides easy access to the entire yard year-round, making outdoor living both comfortable and accessible.
