Charming 1929 Spanish Revival in the heart of Ojai. Step into the character and craftsmanship of this beautifully preserved 1929 Spanish Revival, offering 2 bedrooms 1 bath on one of Ojai's most historic streets. Rich in period details, the home features original tile floors, vaulted ceilings throughout the home. Harwood floors and a fireplace in the living room. Custom built-ins -each corner filled with charming nooks and crannies. A portion of the home was redesigned by renowned architect Mark Whitman. The kitchen, now a gourmet cooks' dream with high-end finishes and a Miele range, sub zero refrigerator, two sinks, a prep area, steam and convection ovens. There is a garage addition that looks like a bungalow that was built with permit 25 years ago. I was used as a family room/art studio. Outdoors, a lush, garden-filled oasis awaits: meandering paths through native landscaping, vegetable beds, fruit and shade trees, and a stunning grapevine-covered patio perfect for outdoor dining. There's even a private hot tub for unwinding under the stars. The property has direct access to Ojai's walking trail, you can easily stroll to town or to the Ojai Valley Inn. A rare blend of historic elegance and modern comfort in a location steeped in Ojai's rich architectural legacy-this is more than a home its a lifestyle.
