

\$959,000 - 1796 Swift Avenue, Ventura

MLS® #V1-30082

\$959,000

4 Bedroom, 3.00 Bathroom, 1,768 sqft
Residential on 0 Acres

Bird IIID - 144804, Ventura,

1796 Swift Ave offers the kind of space, layout, and upgrades that are hard to come by--topped off with a backyard so peaceful and shady, you'll want to spend every afternoon sipping iced tea under the trees. Fully remodeled about 11 years ago (from roof to flooring) and impeccably cared for since, this 4 bedroom, 2.5 bath 1768 sf home features a smart, flowing floor plan that makes everyday living and entertaining feel effortless. You're just down the street from a fantastic neighborhood park, shopping, the gym, and schools--yet the property itself feels private and serene. Inside, you're greeted by a welcoming living room with a classic stone fireplace, opening to a dining room that stuns with custom built-ins and a beautifully designed buffet. The tastefully remodeled kitchen has clean lines, quality finishes, and looks out to the beautiful garden. A striking wrought iron staircase with scrolling detail leads you upstairs to three secondary bedrooms, a stylish remodeled hallway bath, and the spacious primary suite. The primary bedroom is a true retreat--oversized and filled with light, with an ensuite bathroom featuring double sinks, both a tub and shower, and a walk-in closet so big, it's practically its own room. Downstairs also includes a half bath and a garage with excellent built-in storage--ideal for hobbyists, weekend warriors, or anyone who needs a bit more room. And then there's the backyard. Shaded by mature trees and framed by greenery, it feels like a tucked-away

garden. A wood-covered patio creates a perfect outdoor room--just right for dinners, parties, or slow mornings with coffee. Birds visit often, and so do quiet moments. It's private and blissful. With engineered wood floors, dual-pane windows, a brand-new electric panel, and full inspection reports already completed, this home is move-in ready in every sense. Is this your dream home? Only one way to find out!

Built in 1965
