Leisure Village 9 - 248706, Camarillo,

Come see this Capri model home in Leisure Village, Camarillo's Premier Senior Community!! This home sits a nice, large greenbelt and has lots of grass and space behind it. The Capri model features two bedrooms and two bathrooms with a nice size kitchen that many say has lots of cupboard space. This is one of the most popular floor plans in the development as it uses the space very efficiently and most feel like the home 'feels bigger' than it really is. This home has been well maintained and has had a number of updates along the way. You will note the popcorn ceilings have been removed and there is a nice textured ceiling with newer paint on the walls and ceiling throughout. There has been some additional lighting added and the home is clean. The flooring has been updated to the popular vinyl plank premium flooring which both looks good and is made to last a long time. Living in Leisure Village there are lots of opportunities for social interaction with the clubs and their many activities plus the community has a pool, fitness center, Rec center, golf course, tennis and pickleball courts, sewing room, billiard room, wood shop, and many other things. If you are bored in Leisure Village it is because that is your choice, haha! Come and see how great your retirement years can truly be!
