**\*\*Beautifully Updated Two-Story Home in Lancaster with Bonus Room & Fresh Renovations\*\*** This charming and updated 3 bedroom, 3 bathroom home offers 1,644 sq ft of comfortable living space with a bonus room addition giving you an extra living area. Approaching you'll notice the nice landscaping, green grass, and inviting exterior. Inside, the home features tall ceilings, plenty of natural light, and a unique floor plan with the primary bedroom and bathroom on the main floor - a highly desirable layout. The living room features brand new carpet and a beautiful brick fireplace, creating a warm, cozy focal point for gatherings. The kitchen has been recently remodeled with quartz countertops, custom tile backsplash, painted cabinets, recessed and under-cabinet lighting, a breakfast bar, and a refrigerator that stays. It opens up to the formal dining room, which leads directly to the backyard, perfect for indoor-outdoor entertaining. All of the bathrooms have been updated to match the clean, modern look of the kitchen, complete with white quartz countertops. Upstairs you'll find two nicely sized bedrooms and another full bathroom, giving everyone their own space. The backyard is a great size, with a huge covered patio, a large grass area, and plenty of space to relax or entertain. And yes - the washer and dryer stay with the home, making your move-in even easier. With beautiful updates, a flexible layout, and a warm, inviting feel - this home won't be on the market long.
