N/A, Lake Elsinore,

Come to see this single-family residence (It's not a manufactured/mobile home!) with a desirable location. It is close to Interstate 15 and less than a mile from the shopping center. The home is in a good school district. The huge lot offers great potential. There are many upgrades with two covered patios at the front and backyard. The front patio is newly built. The rear patio has a screen closure. The house has two bedrooms with one full bathroom and one 1/2 bathroom. There are 3 ceiling fans, one in each room. New split AC/heat unit. The washer and dryer are located in the backyard shed. The new EV charging outlet is inside the detached garage. There is a big potential investment to extend the main house and build an ADU in the backyard. Come to see this dream home, don't miss it!
