N/A, Rancho Cucamonga,

Great location & no Mello Roos! no HOA! This updated 2-story home sits in a quiet neighborhood close to everything. It includes roof panels, a lovely backyard and mountain views. The property has wonderful curb appeal â€” with a lush lawn and landscaped garden beds full of native plants. Inside the front door, youâ€™ll find an open floorplan with high ceilings, LVP floors (no carpet here) and lots of windows that fill the space with natural light.

Beyond the formal dining room at the front, the living room offers a cozy fireplace, built-in storage and a bonus den or music area. The kitchen is open to the living room and features tile floors, stainless appliances, granite countertops, an island and modern fixtures. Just steps away, you can grill up dinner or entertain guests around the fire pit on the expansive back patio. The rest of the fenced-in back & side yards include plenty of room for your garden and lawn games.

Back inside, the main level includes a bedroom with a private ensuite bathroom â€” perfect for in-laws or guests.

Upstairs, youâ€™ll find a versatile loft area enclosed in glass. This space could become a game room, home theater, office or homework headquarters.

The large primary bedroom includes a beautiful ensuite with his&her vanities, a generous walk-in closet, a corner soaking tub and a separate glass shower. The guest rooms on this level are connected by a spacious Jack&Jill bathroom.

Donâ€™t forget about all the storage in the 2-car garage and the solar roof panels â€“ which help to keep utility bills low.

This established neighborhood is zoned to excellent schools, and youâ€™ll be close to countless shops & restaurants along Baseline Avenue. Victoria Gardens is just 5 mins from your front door, and you can hop on the 15 Fwy in no time. Easy access to the 210 & 10 Fwys, too.
