N/A, Jurupa Valley,

NEW FLOOR, NEW PAINTING. The former Lennar model home was built in 2017, located in the beautiful Harvest Villages in Jurupa Valley surrounded by mountains. The property offers 5 spacious bedrooms, 3 bathrooms. As you enter the long and inviting foyer you will pass by the downstairs bedroom and bathroom and the office room across from. Continuing through the foyer is the formal dining room, kitchen and the living room with abundant natural light. The loft on the second floor offers additional living space to use as you desire. The primary suite is oversized and feels like your own personal retreat. The primary bathroom is accented by dual sinks as well as a large soaking tub and separate shower. The primary walk-in closet is nearly as large as another bedroom with plenty of room for clothing and additional storage. The upstairs laundry room has ample space with built-in base and overhead cabinetry. Convenient access to the 15, 60 and 91 freeways. It will turn into a gem after some cosmetic upgrades.
